Membership Number

Date of birth (dd-mm-yyyy)

Postcode

## Password Reset Request

If we already have details of your email address, then you may be able to reset your PIN by entering your email address below. If however you don't have a valid current account, or the email address is used for more than one account, for example a husband and wife, you won't get any acknowledgment and will have to contact us directly.

Email Address:

Notes: -

1. If you don't know your membership number ask in the pro-shop, they should be able to help.
2. When choosing a "PIN" please pick one that you can easily remember.
